

Public Houses

Pubs, Clubs and Hotels in Great Barr

Public Houses have always played a key part in community life. In Great Barr the Scott Arms acted as a court, meeting place and market. These pages highlight the public houses, both current and past as well as including the few restaurants and hotels in the area.

The Public Houses

Each pub has its own page with photographs and other information. Click on the photographs or links on the side.

If you have any information about landlords, dates of changes, or photographs, let me know. I am currently trying to find out about the Newton Arms.

Restaurants

Both Schofields (Buffet Island 3) and the Beacon(Harvester) public houses have become restaurants so have been included in this section. Other smaller restaurants are included in the shops sections for each area.

Clubs

These pages will be updated shortly to include the working mans clubs and the Kings Club in Hamstead.

Hotels

Some information on the major hotels in the area is included.
